

3° STAGE EN ENTREPRISE. AIDE À LA REDACTION EN ANGLAIS.

Ces questions sont faites pour vous aider à rédiger un texte concernant votre stage. Il s'agit pour vous d'écrire en continu et non de répondre, ligne par ligne, à ces questions. Les événements étant passés et datés, vous utiliserez en grande partie le Prétérit. Attention à vos verbes irréguliers. Attention à la forme négative. Utilisez dès mots de liaison pour en faire une narration naturelle : First / first of all - then / afterwards - finally - that's why... in my opinion - in short - etc.
