

This is the new logo of New Aquitaine, created 2 years ago The new Region is the fusion of 3 former regions

The outline of the region looks like the head of a lion watching the Atlantic Ocean and thus represents the guardian of the ocean!

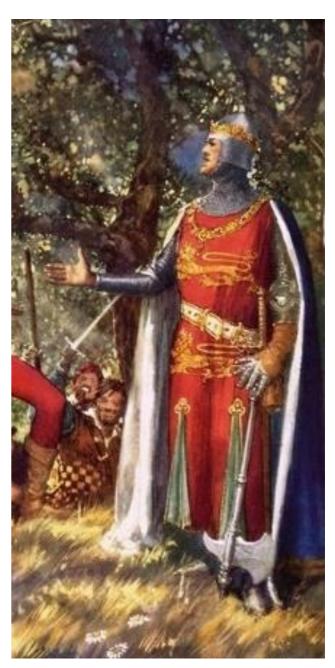

The red colour is a reference to Richard Lion Heart, one of the most powerful king of England and Aquitaine

Richard Lionheart (1157 – 1199)

**Adour** Bayonne

**Charente** Jarnac

**Dordogne** Roque Gageac

**Vienne** Châtellerault

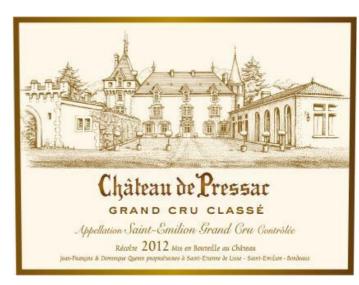

Wherever you go, you can enjoy our gastronomy

## Château de Pressac

You can taste excellent wines and visit beautiful castles.

Château Beaumont

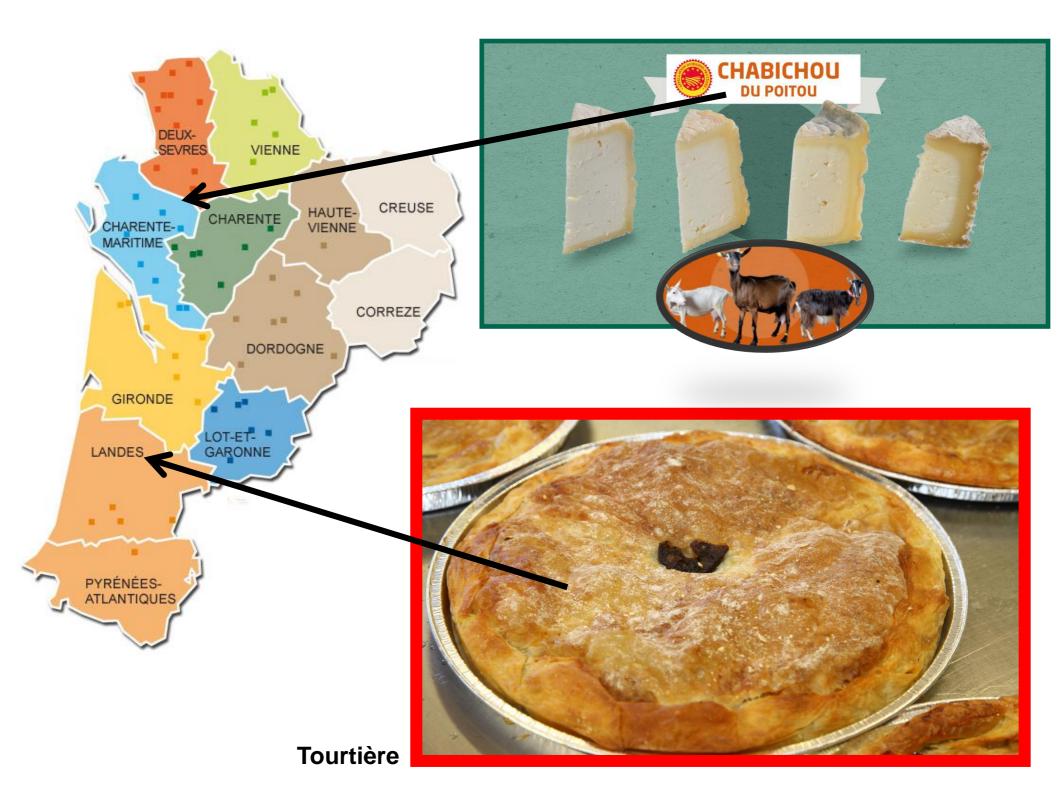

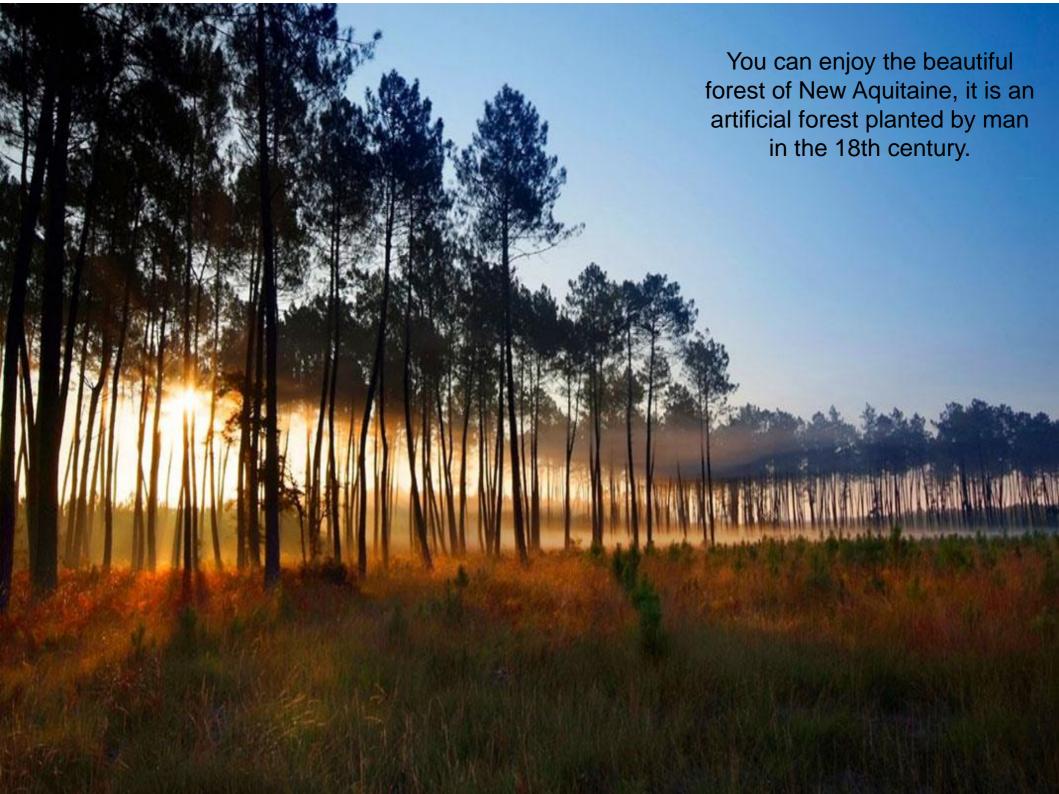

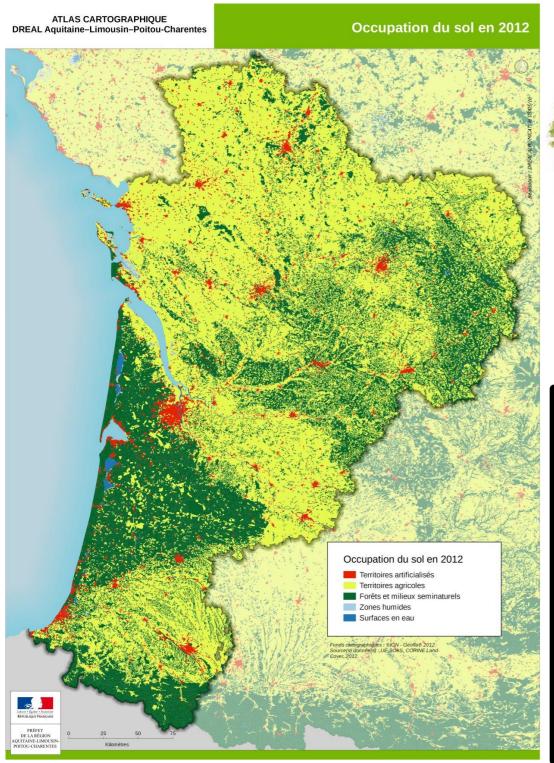

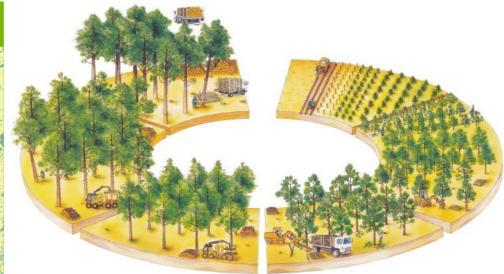

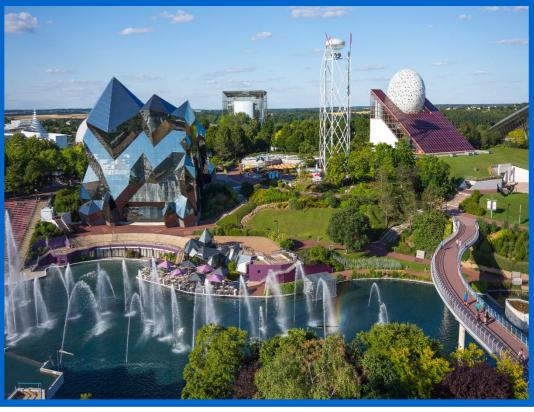

It is the biggest forest of western europe. The forest is an actor of the region industry (timber and paper). It needs 35 years to grow.

## A region which lives in the future

The Region lives in the future: There are a lot of new technologies like electric cars and the Futuroscope Park.

You can sail or surf the Atlantic Ocean!

La Rochelle

The Basque country

Futuroscope Park (Poitiers)

## You can enjoy new technologies, as well as culture and history

Sarlat (Dordogne)

Saint Emilion (Gironde)

Dune du Pilat – 110 m.

You can enjoy nature or wonderful human master pieces!

Pont canal d'Agen
