Couplet 1

Couplet 2

Refrain

I've waited hours for this  
I've made myself so sick  
I wish I'd stayed asleep today  
I never thought this day would end  
I never thought tonight could ever be  
This close to me

Just try to see in the dark  
Just try to make it work  
To feel the fear before you're here  
I make the shapes come much too close  
I pull my eyes out, hold my breath and wait  
Until I shake...

But if I had your faith  
Then I could make it safe and clean  
If only I was sure  
That my head on the door  
Was a dream
