

# SAFETY IN ENGLISH

**Object** : To make people aware of safety. 

18 % of pupils have fallen unconscious.

13 % of pupils have already called the fire brigade.

25 % of pupils have been injured in sport

65 % of pupils have already called the emergency phone number.

37 % of pupils have to did a heart massage.

**Percentage of people who answered YES**

**Result** : We were able to see through the survey that the students we interviewed already had had an accident but also that they know what do to and who to call in case of emergency.
