

**Banksy**  
Graffiti Artist

# About Banksy

Banksy is graffiti artist from Bristol in the UK. He uses stencils and spray cans to paint graffiti that looks very real. He's probably the most famous graffiti artist in the UK.

Banksy believes that graffiti is art and not vandalism.

Look at each of the pictures and talk about them with your partner or group. Answer these questions.

1. Describe the picture to each other?
2. Is there anything strange about the picture? What?
3. Is the picture trying to tell us anything political?
